During the weeks that our elementary students are dismissed early for parent/teacher conferences we will provide activities at the church for students in grades K through 6. This will be from dismissal until 3:30 pm. Pastor Kuenzel and others will also be offering Milestone Workshops as part of each child's journey toward Confirmation. We rely on your volunteering a few hours during the week that we are taking care of your child. With everyone's help, the children have a great time.
